

Becoming a leader

Give people the space to do things their way.

Go

Yourself yourself.

Become a better leader

Human.

Sharing your life when it can impact

Being honest about what you are bad and good about it

Being at what you do fully

Such expectation with people.

Being clear

To trust other people

Accessibility advocate

Need a cultural change

Lulu is choosing the right illustration.

Something real often in diversity pictures no one is fat.

Describe your illustration with alt text

Not all players are the same: gamification

Interesting motivation

Extrinsic motivation

Competitiveness.

study On Kahoot

Design with kindness but also design with awareness

Everything we built reflect choices.

Design is political.

Silence is not strategy

Design is decision-making.

Design is shaped by policy

Legal limits and shifting priorities.

Silence has consequences.

Design gives power.

Include includes or excludes.

It reflects who matters.

Design with kindness

AI can't feel discomfort.

Design is how we sense and then how response
